MEMORANDUM FOR: Deputy Director for Administration  
Deputy Director for Science and Technology  
Deputy Director for Intelligence  
Deputy Director for Operations

FROM: Robert E. Fitzgerald  
Director, Equal Employment Opportunity

SUBJECT: Minority EODs

1. Attached for your information is another of our periodic memos on the status of minorities at CIA. This comprehensive listing of minority EODs by Directorate covers the period 1 October 1986 through 1 August 1987, and reflects the following increases over the past month: 19 clerical, 4 officer and 10 technical.

2. I have also enclosed two charts we developed which depict the growth of full-time minority staff employees from 1 October 1980 through 16 July 1987, and show how women and minorities "fared" during this period. One quickly realizes that women have made major strides in increasing their numbers, and now make up some [ ] or [ ] of the total Agency workforce. Minority growth over the same period has been less spectacular, and full-time minority employees now total some [ ] or [ ] of the Agency workforce. This, however, does represent a .8% increase over last year's numbers. As we are now at ceiling, I suspect it will be difficult to sustain this slight upward trend, but I am hopeful that we can continue to make progress.

3. I will continue to keep you informed on this subject.

Robert E. Fitzgerald
